CWA Trust supports the employment of a Maths teacher, Mr Raoul Hamman, who holds a Master's Degree in Maths Education, was the chairperson of the SRC at North West University, was a Grade Head at Durbanville High School and teaches Additional Mathematics up to Grade 12! Mr Hamman followed his passion to invest in learners from low income backgrounds and one learner, Aiden Gabriels from Idasvalley, saw an improvement in his Maths mark from **38%** in November of 2018 to **71%** in November of 2019. Aiden attributes this to Mr Hamman's quality of teaching as well as the innovative Whatsapp extra maths group which was set up by the school.

Calling Academy

Psychosocial trauma is a barrier to effective learning, which is why CWA Trust supports Community Keepers offices at 5 schools in vulnerable communities in the winelands. In 2019 **655** learners, teachers and parents had **3708** sessions (including individual and various group therapy sessions) by professionals offering psychosocial support.

Community Keepers

A hungry child cannot concentrate or have the energy to learn. In 2019 **750 000** meals were delivered to **3 200** children across the winelands, with a **100%** successful delivery rate.

The Lunchbox Fund

0 – the number of Grade R learners who had to repeat the year because of poor English skills! Since English is not the mother-tongue of our learners, we had to build vocabulary and help with the acquisition of language skills. Home circumstances are often difficult and these affect learners' performance. This was the first year that we started Reading Eggs at Grade R level and not Grade 1 level, and it greatly improved the learners' phonics ability.

NEDBANK
PRIVATE WEALTH
SINCE 1854

THE GRAPEVINE IS WHERE ALL GOOD STORIES START.

At Nedbank Private Wealth we know that every wine has a story to tell. A story of its complex body and balance. Yet there are other stories that wines can tell. Stories of connectedness. Stories of communities that benefit from the fruit of a farmer's labour. Stories of children who benefit from an education. Stories of a business that uses its expertise to do good.

This is why we would like to celebrate yet another vintage year of giving back to the Cape Winelands through our support of the Cape Wine Auction Trust.

We continually ask our clients: What story will your money tell? And in doing so, we can use our knowledge and expertise to ensure that we connect them to different kinds of wealth.

A WEEKEND AT HAWKSMOOR HOUSE, STELLENBOSCH

Hawksmoor House is an elegantly restored Cape Dutch guesthouse on a working wine farm just outside Stellenbosch.

Granted by Simon van der Stel in 1692, the farm has a long history which is reflected in the various styles of the buildings that make up the 'werf'. Unlike many guesthouses in old buildings, the manor house is the core building of the operation, allowing guests to live in the space the way it would have been in the past. Restoration began in 2005, and now the entire werf is a 16 room guesthouse modelled around the theme of a luxurious, historic country house.

The farm's location gives it spectacular views of the Boland mountains, and most notably a magnificent sunset view of Table Mountain from the manor house's back stoep.

Currently the farm produces grapes which are sold to leading wineries for their wine production, retaining enough to produce about 10,000 bottles per year for Hawksmoor.

The Hawksmoor lot gives use of the Manor house for five couples, each in a double bedroom, for a weekend on bed and breakfast basis.

It also includes a choice of either a tasting lunch or dinner (decided by the buyer), hosted by the owners Mark Borrie and Simon Olding. The menu will be designed by our in-house chef to accommodate the guests' tastes, and also to showcase the wines produced on the farm. Mark will present nine Hawksmoor wines in sets of three; comparing and contrasting in a relaxed environment enabling guests to learn more about different cultivars, oaking methods and to generally just enjoy tasting wine.

The lot is valid for one calendar year from date of purchase, and use thereof is governed by availability of the manor house considering previous bookings, functions, etc, on the same basis as outlined on the website. The lot excludes Christmas and New Year. Should Mark and/or Simon not be available to host, the guesthouse manager will stand in for them.

Due to the popularity of the guesthouse, it is recommended that the buyer make contact very soon after buying the lot to secure a date that would accommodate everyone happily.

The remaining nine rooms of the guesthouse in the outbuildings will continue to trade normally for the weekend, but should the buyer wish to book them at their own cost to increase the size of his or her group, we are open to discuss this, as this could make for an even merrier country weekend for the lucky bidder.

LUXURY WEEKEND STAY AT BOSCHENDAL'S MOUNTAIN VILLAS

Luxury weekend stay at the Mountain Villa, an exquisite property situated at the base of the Simonsberg Mountain with sensational views across the valley. Six couples can enjoy an exclusive vineyard adventure and private tasting of our most premium wines and MCC. Executive Chef Allistaire Lawrence and his team will serve guests a private Werf Restaurant dinner and pairing at the villa one evening, showcasing the best of our award winning Black Angus Cattle, Duroc pork and organic vegetables.

The pool has a 25m swimming pool and mountain fed dam for swimming, our concierge team will happily tailor all of our other farm activities that the guests would like to enjoy including guided hikes, horse trail riding and mountain biking.

South Africa's second oldest wine farm, Boschendal, lies between the Simonsberg and Drakenstein mountains an hour's drive from Cape Town. The name Bos-en-dal, or wood and valley, reveals its essence: a breathtakingly beautiful valley basin of 1800 hectares. Location, the sheer scale, natural splendour and history make exploring Boschendal compelling. It beguiles and inspires wonder with its unique spirit of place. Dating back to 1685, Boschendal is a place where generations of families have worked. It is these combinations of stories and histories, mythical landscapes and mysterious mountains that compel repeat visits. Great places need time for understanding and the unravelling of their complexities.

Located near the Franschhoek Valley deep inside the Cape's Floral Kingdom, it is a place where over 600 species of fynbos and 1000 hectares of protected nature reserve intertwine with our fruit orchards. It is a spectacular, bio-diverse environment. It is a place where grass-fed Angus cattle, forest-fed pigs and free range chickens work alongside our farmers to replenish and revitalise the soils. It is a place where our ducks help gardeners grow exquisite bio-dynamic produce for our two restaurants – we very much like the idea of farming and cooking with nature, and not against it. It is a place where guests can swim in our dams and feel comfortable picking fruit from our orchards – we like sharing our extraordinary produce. The only choice to make is whether to explore this magical place by foot, by pedal or by horse.

THE MEERLUST NATURAL SELECTION LOT

Long recognised for producing world-class wines, Meerlust Estate has been the pride of the Myburgh family since 1756. Today, the traditional dedication to the art of winemaking continues under the guidance of Hannes Myburgh. Wines are only made from grapes grown on the estate, which is uniquely positioned for the production of wines with exceptional complexity and character.

Natural Selection has its roots in the African Safari business. Founders Dave, Colin, Jen and James are old friends who began their careers as guides in the bush many moons ago. They are devoted to the simple premise that safari tourism, when done correctly, is an incredibly powerful tool for conserving and protecting Africa's last great wild places. Their deep commitment is matched only by their devotion to providing guests with the most unique and extraordinary experiences out there.

The winning bidder will receive an incredible Rubicon collection of twenty vintages from 1997 – 2016 which will include the Meerlust Red 2002 and 2011. As no Rubicon was produced in 2002 and 2011 the wine was declassified and sold as Red. In addition the bidder will receive a six bottle case of Meerlust Cabernet Sauvignon 1975. The first wine ever to be released under the Meerlust label.

A two night stay for four people at the new Lekkerwater Beach Lodge situated in the De Hoop Nature Reserve. Voted by Time Magazine as one of the Top 100 places to visit on the planet. Undoubtedly one of the most glorious coastal reserves in Africa, the area's extraordinary beauty and blissful seclusion led ex-President FW de Klerk to choose the location for his 'Camp David.' The reserve is also famous for some of the best whale watching on the planet when, from July to November, Southern Right whales and their offspring flock here in their hundreds from Antarctica. It's not simply whales either and you'll also spot sizeable pods of dolphin and all sorts of marine life in this – the ultimate, land-based marine safari. This prize is not redeemable for cash and is non-transferable. Flights or transfers are not included and the prize is valid until 31st November 2020.

The lot includes a weekend stay for two couples in the "Quarters" at Meerlust. In addition, eight guests will be invited to a private luncheon at the Meerlust homestead hosted by Hannes Myburgh. Not open to the public, this house has been the family home for the Myburgh family for 264 years.

ANTON SMIT – AGAPÉ EFFERVESCENT SERIES

Each sculpture is an individual masterpiece from the hands of the internationally acclaimed South African sculptor Anton Smit.

This exquisite Anton Smit Lot forms part of not only one mask, but a triptych of three larger than life faces in progression from human to spirit.

Each face, hand painted in a different colour, portraying the essence of life.

Agape Effervescent series – Transcending human suffering – depicting the lightness of being, rendering visible that which is spiritual.

Apparition of faces bristling with light – A fire with God.

Defying gravity – dissolving the visual world and transmutating the figurative landscape. Not only does each piece draw the viewer into the work it also allows the landscape to become part of the work, making each piece a virtual experience, captivating and intriguing.

Beautifully conceptualised by poetry and Anton’s own life experience of the human journey, each piece tells a unique story woven into a narrative of human suffering and transparency, conflicts of daily life.

Instead of a fleeting experience the successful bidder will take this lot home to enjoy every day as part of their own art collection.

*“Before me floats an image
effervescence of the night
dissolved by light
the more we let the light through
the more we become spirit
suspended animation
radiant expansion
lacework of stars
cleanser of the earth” – Anton Smit*

GREAT DOMAINES CHAMPAGNE & WIMBLEDON LOT

Great Domaines, exclusive importer and distributor of the finest wines in the world, and its partners are offering the highest bidder a unique Champagne and Tennis experience that money can't buy.

Great Domaines, which turns 20 this year, exclusively represents in South Africa some of the most revered names in the wine world; such as Domaine de la Romanée-Conti in Burgundy (France), Petrus in Pomerol (France), Jean-Louis Chave in the Northern Rhône (France), Vega Sicilia in Ribera del Duero (Spain), Sassicaia and Soldera in Tuscany (Italy), Château Musar in Bekaa Valley (Lebanon) and Egon Müller in the Mosel (Germany).

Great Domaines is committed to education and transformation in South Africa. They have therefore partnered with two of their Champagne producers, Champagne Lanson and Champagne Pol Roger, both bearing the royal warrant, to put together an exclusive Champagne experience.

For over 40 years now, Champagne Lanson has been associated with the world's favourite tennis tournament, The Championship Wimbledon. As part of this experience, they are offering a lucky couple two VIP tickets to see the men's quarter-finals on the 8th July 2020 in Champagne Lanson's VIP suite, together with two nights' in four-star accommodation in London and all transfers to and from the tournament.

To complete the experience, the couple is invited to visit the Champagne House in Reims where they will have the opportunity to do an exclusive tour of this prestigious and historical House, followed by a VIP tasting of Champagne Lanson's extensive range. This year, the House celebrates its 260th anniversary. Since 1760, they have created champagne with a truly unique style – fresh, crisp and elegant with a longer ageing potential.

The second Champagne experience is made possible by Champagne Pol Roger, Sir Winston Churchill's favourite house and the chosen supplier of champagne poured at the past four royal weddings. Pol Roger, not usually open for visits to the general public, is offering a unique tasting including a very rare 1921 vintage, a dinner for two with Mr Laurent d'Harcourt, CEO of Pol Roger, and a night stay at the five-star hotel, Villa Eugene in Epernay.

Champagne Pol Roger, the smallest of the grande marques, doesn't want to be the best known but only known by the best. Champagne Pol Roger has remained family owned and run since 1849, by descendants of their founder Pol Roger. The House has a reputation for producing champagne of finesse and elegance. Made from equal parts Chardonnay, Pinot Noir and Pinot Meunier, the Pol Roger Brut Réserve is consistently one of the very best non-vintage cuvées on the market due to the high proportion of aged reserved wines in the blend.

- 3.3. Neither the Auctioneer nor the Trust shall directly or indirectly Bid on a Lot.
- 3.4. A Bid may be retracted by a Bidder any time before it is accepted by the Auctioneer by the fall of the hammer or in another customary manner, provided that such retraction is clearly and unequivocally brought to the attention of the Auctioneer.
- 3.5. Where a Reserve Price applies, the Auctioneer shall inform Bidders of the fact (without disclosing the amount of the Reserve Price) immediately before the Lot is put to auction and the Auctioneer shall not sell the Lot unless the Reserve Price is met.

- 3.6. Lots are sold by the highest Bid (subject to a Bid equal or greater to the Reserve Price being made, if applicable), whether the Bid be equal to the real value of the Lot or not.
- 3.7. Upon the Auctioneer accepting a Bidder's offer in the aforesaid manner, a contract of sale shall become binding between the Seller and the Purchaser in respect of the Lot. Such contract of sale shall be in accordance with the terms of this Agreement and any other terms and conditions pertaining to the Lot, as may be communicated in the Catalogue or otherwise.
- 3.8. The risk in and to Lots shall pass to the Purchaser immediately upon the Auctioneer accepting its Bid in respect of that Lot.

4. Lots

- 4.1. The Auctioneer may withdraw or split up a Lot at any time before a final Bid is accepted in respect thereof.
- 4.2. It is the responsibility of the Bidder to appraise itself of the terms and conditions that may be applicable to a Lot, as set out in the Catalogue or otherwise communicated.
- 4.3. In the event that a Lot that has been sold to the Bidder is unavailable for delivery, the Trust shall endeavour to find a replacement that is acceptable to the Bidder, failing which the Trust shall be entitled to unilaterally rescind the sale of the Lot and refund the Bidder any amounts paid, should the Bidder so demand in writing.
- 4.4. **All Lots sold at the Auction are as between the Trust and the Bidder sold on a voetstoots ("as is") basis and the Trust makes no representation or warranty in respect thereof. Without limiting the foregoing, the statements made by or on behalf of the Trust or Auctioneer in respect of Lots are mere statements of opinion and the Bidder agrees to examine and appraise itself of the Lot without reliance on the foregoing statements of opinion.**

5. Catalogue

- 5.1. The Trust reserves the right to withdraw any Lot at any time prior to the sale of that Lot without prior notice.
- 5.2. The Trust reserves the right to amend the Catalogue at any time prior to the sale of a Lot, provided that the Auctioneer shall announce such amendments prior to the Lot being auctioned.

6. Absentee Bids

- 6.1. A person (hereafter **"Bidding Agent"**) may apply to the Trust in the prescribed manner to Bid on behalf of another person (i.e. **"Bidder"**) not in attendance at the Auction (hereafter **"Absentee Bid"**).
- 6.2. The Bidding Agent shall be jointly and severally liable with

the Bidder (i.e. the principal) to the Trust for compliance with the terms of this Agreement and specifically to honour the Bid.

- 6.3. Notwithstanding the provisions of clause 6.1, the Trust and Auctioneer reserve the right to reject any Absentee Bid in their sole discretion.
- 6.4. In the event that someone purports to represent another without having sought and obtained the approval set out in clause 6.1, such person shall be personally liable for compliance with the terms of this Agreement and specifically to honour the Bid.

7. Telephone Bids

- 7.1. Provided that advance notice of such bid has been provided to the Trust in writing at least 24 (twenty-four) hours before the Auction and the Bidder has agreed to this Agreement to the satisfaction of the Trust, a Bid by way of telephone (hereafter **"Telephone Bid"**) shall be allowed at the Auction.
- 7.2. Each Telephone Bid shall be subject to the availability of a fully functional and operative telecommunication line and the person so bidding accepting the terms and conditions of this Agreement and being registered in accordance with the prevailing requirements of the Trust.
- 7.3. **Any Bidder wishing to Bid by way of Telephone Bid consents to the Trust recording such Telephone Bid.**
- 7.4. Notwithstanding the provisions of this clause 7, the Trust and Auctioneer reserve the right to reject any Telephone Bid in their sole discretion.

8. Disputes as to Bids

- 8.1. The Auctioneer, acting as expert and not as arbitrator, shall be entitled to summarily rule in his or her sole and unfettered discretion on any dispute or uncertainty pertaining to any Bids during the continuance of the Auction.
- 8.2. Without limiting the immediately preceding clause, the Auctioneer shall be entitled to accept a different Bid as the winning Bid, resubmit a Lot to auction and/or divide a Lot into smaller lots for Auction.

9. Payment and delivery

- 9.1. The Purchase Price becomes payable immediately by a Bidder upon the Auctioneer accepting its Bid and shall be paid in full no later than 14 (fourteen) days after receipt by the Bidder of an invoice issued by the Trust.
- 9.2. Ownership of all Lots are reserved to the Trust and/or Seller until paid for in full by the Purchaser.

- 9.4. Payment shall be deemed to have been made when the Trust's aforesaid nominated bank account is credited with the funds.

10. Breach

- 10.1. In the event that the Bidder breaches any of the terms of this Agreement and fails to remedy such breach within 7 (seven) days written notice by or on behalf of the Trust, the Trust shall be entitled without prejudice to any other rights or remedies which the Trust may have in law or otherwise (including the right to claim damages) to sue for the immediate specific performance of any obligations under this Agreement or to cancel this Agreement, which cancellation shall take effect on the giving of the notice of cancellation.

- 10.2. **The Purchaser of a Lot hereby grants a lien and pledge over any Lots purchased by the Bidder as covering security for its due compliance with the terms of this Agreement.**

- 10.3. Any amounts that are overdue by the Bidder shall attract interest at the Prime Rate plus 8 (eight) percent, calculated daily and capitalised monthly. If the foregoing rate exceed the maximum permitted by applicable law, then such maximum shall apply.

11. Limitation of liability

- 11.1. **While care is taken in the preparation of the Catalogue, the Trust, Auctioneer and their executives, staff and agents shall not be liable for any claim, cost, expense, damage, injury or other adverse consequence (hereafter collectively "Adverse Consequences") arising from the Catalogue not being accurate.** Without limiting the foregoing, the Trust shall not be liable for any inaccuracy in the description of the Lots in respect of the origin, rarity, age, genuineness, quantity, aging potential, present and future quality or condition.

- 11.2. **To the maximum extent permitted by applicable law, the Trust, Auctioneer and their executives, staff and agents shall not be liable to the Bidder for any Adverse Consequences whatsoever, inclusive of any direct or indirect, consequential, punitive or special damages.**

- 11.3. **To the maximum extent permitted by applicable law, the Trust, Auctioneer and their executives, staff and agents**

shall not be liable to the Bidder or its principal (should the Bidder act on behalf of a principal) for any errors, omissions or any other Adverse Consequences whatsoever arising from any Absentee Bid or Telephone Bid.

12. Indemnity

- 12.1. **The Bidder agrees to indemnify the Trust, Auctioneer and their executives, staff and agents against any Adverse Consequences that may arise from the Bidder's participation in the Auction, the determination of any disputes by the Auctioneer or breach of the terms of this Agreement.**

13. Notices and address for services

- 13.1. The Parties choose as their address for service and/or receipt of notices (i.e. *domicilia citandi et executandi*) for all purposes under this Agreement, whether in respect of court process, notices or other documents or communications of whatsoever nature, the addresses set forth in this Agreement, provided that any notice or communication required or permitted to be given in terms of this Agreement shall be valid and effective only if in writing and delivered to the relevant Party's physical address or email address (hereafter each a "Notice Address").

- 13.2. Any Party may by notice in writing to any other change its Notice Address, provided that in respect of its physical address, such address should be in the Republic of South Africa and not a forwarding address. The change shall become effective on the 7th (seventh) Business Day from the deemed receipt of the notice in accordance with clause 13.3.

- 13.3. Unless the contrary is proved by a recipient, any notice to a Party to a Notice Address on Business Days:

- 13.3.1. delivered by hand to a responsible person at its physical address shall be deemed to have been received on the day of delivery; or

14. Interpretation

- 14.1. In the event of conflict between the terms of this Agreement and the terms and conditions of a Lot, the terms of this Agreement shall apply to the extent of such conflict.

- 14.2. Any reference to an enactment is to that enactment as at the Signature Date and as amended or re-enacted from time to time.

- 14.3. When any number of days is prescribed in this Agreement, it shall be reckoned exclusively of the first and inclusively of the last day unless the last day falls on a day which is not a Business Day, in which case the last day shall be the following Business Day.

- 14.4. Where figures are referred to in numerals and in words, if there is any conflict between the two, the words shall prevail.

- 14.5. The rule of interpretation that the contract shall be interpreted against the Party responsible for the drafting and preparation thereof (the *contra proferentem* rule) shall not apply.

- 14.6. Unless the context shows otherwise, a clause which includes a specific example or examples shall not be construed as limiting the meaning of the general wording preceding it (i.e. the application of the *eiusdem generis* rule of interpretation is excluded).

- 14.7. The termination or expiry of this Agreement shall not affect those provisions which expressly provide that they will continue to operate after such termination or expiry, or those provisions which of necessity must continue to have effect after such termination or expiry, even where those clauses do not expressly provide for this.
